Contractor License Bonds for California

How To Get A License Bond?

1. Click "Quote" to get started.
2. Create your free account by entering your email, creating a password, and logging in.
3. Once logged in click “find coverage”
4. Navigate to the “License & Permit Bond” tile and click “Get a Quote”
5. Pick your state (California), bond class (Contractors License), and enter a bond amount of $25,000.

Most bonds are issued the same day and filed directly with the CSLB on your behalf. Once bonded, you will be covered per CSLB requirements and can verify your status anytime through the CSLB license lookup tool, keeping your license active and your business moving.
